

Familia Danielopol

Familia Danielopol a venit in Constanta din Tracia, zona aflata atunci in componenta Imperiului Otoman, la sfarsitul secolului al XIX-lea. Au sperat intr-o viata mai buna in Romania. S-au ocupat de comertul en gros de coloniale. Au deschis magazine de coloniale in centrul Constantei pe bdul Ferdinand la numarul 32 si in Galati. Aduceau marfa atat din Grecia cat si de la Constantinopol sau alte orase de la Marea Neagra. Au emigrat dupa al doilea razboi mondial in Grecia.
